

# **PRIEST, BROTHER, SISTER, DEACON INTERVIEW NIGHT**

Consider using this discussion/reflection model for up to 50 participants in your youth group. You need at least 4-6 priests, sisters, brothers and deacons.

## **Aim**

To familiarize young adults with the life and ministry of deacons, sisters, brothers and priests.

## **Introduction ( 20 minutes)**

Give the clergy and religious in the room 5 minutes each to present their story before the entire assembly. Be strict about the time.

## **Small Group Division (10 minutes)**

Divide the participants into small groups. Have the same number of groups as you have interviewees. Allow participants to formulate the questions they would like to ask.

## **Interview sessions (7 minute increments)**

Interviewees move around to each group and answer questions. Ring a bell or play some music as a signal that it's time to move on to the next station.
